

LBMS SUPPLY LIST SY23-24

General Information

The supply list covers all grades and subject areas. We prefer students have a general list of supplies that will help build towards the executive functioning skills necessary to be successful in middle school and beyond:

- Paying attention
- **Organizing, planning, and prioritizing**
- Starting tasks and staying focused on them to completion
- Understanding different points of view
- Regulating emotions
- Self-monitoring (keeping track of what you're doing)

More items will be necessary throughout the year. And most, if not all will be provided by the school. But buying this list in its entirety, along with basic preferences for your student (locker decorations, preferred colors/styles, organizational tools, etc.) will have your child ready to launch their school year.

The Lists
