

LEARN D.C. Kindergarten Supply List

Please send school supplies with your child by the end of the first week of school. Your scholar will need a backpack that comes back and forth to school. It should be large enough to fit his/her/their take home folder. Please do not write your child's name on his/her/their supplies. We have chosen specific brands for materials because from experience we have found they work best for our scholars & last longer. Thank you.
