Quarantine

Policy for SY22-23 school year as of 8/3/22

Following a known exposure to COVID, staff and students may be required to quarantine to minimize risk of exposure/transmission of COVID.

	Unvaccinated	Partially Vaccinated (see below for definition)	Fully Vaccinated (see below for definition)
Symptomatic (w/symptoms)	<ul style="list-style-type: none"> 10 day home quarantine required Get tested for COVID Notify campus nurse for return to work/school date 	<ul style="list-style-type: none"> 10 day home quarantine required Get tested for COVID Notify campus nurse for return to work/school date 	<ul style="list-style-type: none"> 10 day home quarantine required Get tested for COVID Notify campus nurse for return to work/school date
Asymptomatic (w/o symptoms)	<ul style="list-style-type: none"> 5 day home quarantine required Return to work on Day 6 COVID test recommended Strict masking and social distancing required Day 6-10 	<ul style="list-style-type: none"> 5 day home quarantine required Return to work on Day 6 COVID test recommended Strict masking and social distancing required Day 6-10 	<ul style="list-style-type: none"> No quarantine required. COVID test recommended on Day 5 or later Strict masking and social distancing required for 10 days post last exposure

Please note: Staff and students are required to return to the masking guidelines at each campus once quarantine requirements have been fulfilled.

Fully vaccinated is currently defined as being two weeks after receiving the second dose of the Pfizer or Moderna two-dose vaccine series, or two weeks after receiving a single dose of the Johnson & Johnson vaccine.

Partially vaccinated is currently defined as not completing all required doses of the primary vaccination series.
